

MARIE PAULA JOY Z. VILLANUEVA

APPLICANT

SUMMARY

Graduate in Information Technology with a basic understanding of programming, system support, and database management. Open to learning and willing to take on new challenges. Comfortable working both independently and in a team setting. Looking for an entry-level opportunity to apply what I've learned and continue building practical experience in the IT field

CERTIFICATIONS

NC II in Computer Systems in Servicing

- Successfully completed the National Certificate II in Computer Systems Servicing (CSS NCII).

Generation Connect PH

- Participated in generation Connect PH in Quezon organized by ICT Industry Development Bureau.

Cybersecurity Policy Foundations

- Gained proficiency in understanding and applying cybersecurity frameworks for risk management, incident response, and data protection.

Introduction to Responsible AI

- Trained in implementing AI technologies to ensure ethical, sustainable, and transparent development and deployment.

Introduction to Large Language Models

- Gained understanding of training LLMs with large datasets to generate human-like responses and improve performance through fine-tuning and prompt engineering.

Introduction to Generative AI

- Gained foundational understanding of generative AI models and their applications, including GANs, Variational Autoencoders (VAEs), and transformer.

EDUCATION

SOUTHERN LUZON STATE UNIVERSITY

2021-2025

Bachelor of Science in Information Technology

WORK EXPERIENCE

INTERNSHIP STUDENT | STI COLLEGE SAN PABLO

2025

- Assisted in setting up and managing Veyon classroom monitoring software and performed disk cloning for lab computers.
- Installed and wired CCTV systems and internet connections in classrooms.
- Participated in network cabling, server setup, and basic database management for school systems.
- Handled configurations and technical support for Omega and the Time Table system used in scheduling.
- Worked on the Bulletin Board System for internal school communications.

HOME TUTOR| SELF-EMPLOYED

2018-2021

- Helped kids with their homework, projects, and preparing for exams. Made sure they understood the lessons and improved their skills
